MEMBER MEETING MINUTES ~

The July meeting was called to order by Vice - President Ray Carlson at 2:00 PM on July 30th with 11 members in attendance.

Minutes from the previous meeting were read by Jason Taylor and approved as read.

The Treasurer's report was read by Dana Morgan and approved as read.

Old Business ~

Jason gave a quick thank you to all who assisted with the Airshow. It was a great day all around.

New Business ~

Jim Waybright gave his field report:

1. Field expenses for July were about normal.
2. We purchased a new drive belt and set of blades for the White mower at a total cost of \$59.15.
3. We spent \$62.00 on gas for the mowers.
4. A donation of \$20.00 for gas was received.
5. We replaced the spigot and associated plumbing at the well. There is a story about that.
6. Rick Witherow and John Carroll donated two sets of disposable painters' coveralls to wear when retrieving airplanes from the trees. They are located in the white cabinet in the shed. There's a humorous story about that.
7. John Burnett has installed a humming bird feeder at the shelter so we may watch something that can really fly.

John Watson led a discussion on installing a Drone Course in the back lot. An email and Facebook post will ask for interest. We would like to have a committee to take on this task.

MARKS received applications for 6 new members: Michael Sells, Daniel Myer, Kevyn Myer, Rick Witherow, Sonny Broyles, and Kenny Soni. A motion was made and passed to make all applicants members. If you see any of these members, be sure to introduce yourself and say hello.

With no other business to discuss a motion was made and passed to adjourn.

Jason Taylor, Secretary

President's Thoughts

Harry is in Baltimore with his wife during her hospital stay; he is unable to provide us with his thoughts this month.

Please keep Paulette and Harry in your thoughts.

The MARKSMEN is published monthly by the Mid Atlantic Radio Kontrol Society, Inc. and posted on the MARKS Web Site. Newsletter submissions should be sent via email to Jim Waybright jim54w@verizon.net

August, 27th

Please Do Not Exceed the 10 MPH speed limit when driving in or out of our flying field!

FAA Registration Update

The FAA is providing the following updated information regarding the Small UAS Registration and Marking interim final rule as a result of a recent decision by the U.S. Court of Appeals for the District of Columbia Circuit regarding the small UAS registration program.

The court's decision invalidated the registration requirement as it applies to certain model aircraft that meet the definitional and operational requirements provided in section 336 of the FAA Modernization and Reform Act. Owners of model aircraft which are not operated in compliance with section 336 are not required to register. Owners of all other small unmanned aircraft, including newly-purchased unmanned aircraft not operated exclusively in compliance with section 336, remain subject to the registration requirement. The FAA continues to encourage voluntary registration for all owners of small unmanned aircraft.

The FAA is working on a final rule with respect to registration and marking that will implement the court's decision. In the meantime, if you are an owner operating exclusively in compliance with section 336 and you wish to delete your registration and receive a refund of your registration fee, you may do so by accessing a registration deletion and self-certification form (PDF) and mailing it to the FAA.

All Season Flyers 2017

Congratulations to the following MARKS members who have achieved All Season Flyer status through July 31 by flying and registering their flights ~
