The meeting was called to order at 6:40 PM by President Harry Semenکو.

A motion was made to not read last meeting's minutes; the motion passed.

The Treasurer's report was delivered by Dana Morgan. Dana advised that a "GoFundMe" account is now operational and can be found under the name "Harry McCoy". Dana has started the account with a \$100.00 donation. A link to "GoFundMe" will be added to the MARKS webpage soon by Jason. A motion to approve the report as read was made and passed.

A motion was made to review Old Business at the January 29, 2017 meeting; the motion passed.

President's Thoughts

Hello MARKS members ~

It was certainly a pleasure being with you all and meeting your loved ones at the Christmas dinner. I believe that the trivia games and the door prizes were well received and so I hope that they both will become a part of future Christmas dinner meetings. My thanks to Dana Morgan for organizing the trivia games as well as, for contributing the cookie tins as a prize. The winners were John Haffner, John's wife, Joe Robertson, and John Carroll. I was pleased to provide the Hanger 9 Funtana ARF, a SIG 4 Star 60 kit, and an assembly stand as the door prizes. John Haffner won the Funtana ARF, Jon Watson won the assembly stand, and Ray and Carol Carlson won the SIG 4 Star. John graciously donated the Funtana ARF to the Club and it will be auctioned at our January meeting.

Waybright Field ~

Some personal thoughts ~ A number of years ago, I had the occasion to introduce my wife to Jim Waybright. So that she might understand his role in the MARKS club, I told her that I thought of him as the “sparkplug” of the organization, providing a constant energy that made the Club a success. Always willing to help anyone who needs assistance with everything from teaching new ones to fly, to completing the maiden flight of a new airplane, to figuring out why batteries are failing, to visiting members that are ill, or simply inviting members to meet at the field to fly, Jim continues to be a source of encouragement. Then there’s the flying field – Jim leads the effort in the maintenance of our field making it one of the best around with irrigation, electricity at the tables, and a well-groomed runway. It is fitting that the Club flying field will be known as Waybright Field. ~ Fred White, Assistant Editor
