## MEMBER MEETING MINUTES ~

The MARKS members traditionally do not meet during the month of November and conduct only a brief business meeting in December during the annual Christmas dinner. The following are the minutes of the meeting held during the Christmas dinner on December 6, 2016 at the Goin' Nuts Café attended by 27 members and their guests.

The meeting was called to order at 6:40 PM by President Harry Semenko.

A motion was made to not read last meeting's minutes; the motion passed.

The Treasurer's report was delivered by Dana Morgan. Dana advised that a "GoFundMe" account is now operational and can be found under the name "Harry McCoy". Dana has started the account with a \$100.00 donation. A link to "GoFundMe" will be added to the MARKS webpage soon by Jason. A motion to approve the report as read was made and passed.

A motion was made to review Old Business at the January 29, 2017 meeting; the motion passed.

## New Business ~

President Harry Semenko read a Resolution by the Board of Directors dated October 30, 2016. The Resolution in its entirety is as follows:

**Whereas**, the Mid Atlantic Radio Kontrol Society was organized in 1957 by a group of individuals interested in and dedicated to the furtherance of the hobby of building and flying of radio controlled aircraft, AND

## President's Thoughts

Hello MARKS members ~

Happy New Year! We had wonderful weather for our New Year's Day Fun Fly. And we had good attendance, good food, and good fellowship. Let's just say that we had fun.

Our January meeting will be held at the field in Bill Young's shop. In advance of that meeting, I would like you all to think about filling two new positions in our Club organization - a Committee Chairman and a Program Chairman. Like most organizations, we have had trouble getting volunteers for events. Filling these two positions can help us have successful Fun Fly and Fly In events. Speaking of which, we should discuss a 2-day air show, several Fly In's (they do generate funds for the Club) and a bonified Fun Fly with trophies.

I would like to take this opportunity to thank everyone for naming our club airfield after me. It has been a pleasure for me to work improving our field, since it was acquired in 2004. I would also like to thank all the other members who helped make this a great field.
