MEMBER MEETING MINUTES ~

The MARKS members traditionally do not meet during the month of November and conduct only a brief business meeting in December during the annual Christmas dinner.

The following are the minutes of the meeting held during the Christmas dinner at Denny's on December 7, 2017 attended by 16 members and one guest.

No minutes from the previous meeting were read at the dinner meeting.

Treasurer Dana Morgan gave a quick report. He recommended that the Club pay next year's field rent now because funds are available. A motion was made and passed to pay the 2018 field rent now.

Members were reminded that 2018 dues are due.

There was a quick discussion about the New Year's Fun Fly. Members are asked to bring a covered dish.

A discussion was held about the 2018 Air Show. Jason Taylor led a discussion on moving the date of the show to the Saturday after Wings and Wheels at Salisbury Airport. The Members discussed and approved the new Show date – Saturday, May 26th, 2018.

Due to the low turn-out of Members at the last meeting, new officers were not voted on. There is no minimum membership attendance required to hold a meeting. The floor was opened one last time for additional nominations. With no further nominations being proposed, a motion was passed to accept the nominations that had been made for the 2018-2019 term: Harry Semenko - President; Raymond Carlson - Vice President.

With there being no other business, a motion was made and passed to adjourn.

Merry Christmas and a Happy New year.

President's Thoughts

Hello fellow Marksmen ~

The MARKS New Year's Day Fun Fly was all it could be despite weather conditions of 22 degrees with a wind chill of 8 degrees due to a wind velocity of 14 mph with gusts. It was still a success as we had 10 members present in addition to 2 guests - a father and son who are into Drones and who will probably join our Club.

We fortunately had the use of Bill Young's shop and that allowed us to be out of the weather. Jim Waybright provided the heaters and believe me, it was way warm inside the shop. There was plenty of really good food and we enjoyed socializing filled with tall tales and jokes. I feel that everyone enjoyed the get together.

Believe it or not, there were several aircraft brought to the field and James Waybright and Harry Semenko did get their New Year's Day flight in with no damage to the aircraft. Jim said something to the effect that he didn't think that he had ever had a plane that he couldn't get to come down to land it.

Well my friends, all in all it was a very nice time and I want to wish you all a very prosperous, safe, and healthy New Year.

Harry Semenko
