## President's Thoughts

Well MARKS members, another year has gone by. I hope and pray you all had a great Christmas and Santa was good to you.

At this time of year, we can look back at our successes and some spectacular 'oops-crashes' with hope of more successes than failures. We as a club have many challenges ahead and as a club we will rise up to meet them.

I hope the weather will give us a break so we can get some stick time in and complete the many projects we planned for.

Here's wishing you a Happy New Year and looking forward to our Fun Fly on January 1, 2019.

God Bless!

Ray Carlson, Vice-President
