## MEMBER MEETING MINUTES ~

The May membership meeting was held on May 29<sup>th</sup> at Waybright Field, with 14 members in attendance.

The meeting was called to order at 1:48 pm by Vice-President Ray Carlson.

A moment of silence was observed in honor of Memorial Day. Ray lead Membership in prayer to honor those lost.

The Treasurer's report was read by Dana Morgan and approved as read.

## Old Business ~

Jim advised that the Windsock approved at the last meeting has been purchased and installed.

## New Business ~

Jason noted that Club participation was great at the Salisbury Wings and Wheels event. Public inquiry was high about the Airshow.

Jason advised he was approached at the Salisbury Airport and asked if MARKS would attend the Cambridge Wings and wheels event on June 3rd. They had attempted to contact membership from the Hurlock club with no success. Jim noted he would attend if other members would go. An email will be sent out to see if there is any interest in attending.

Jason with Airshow update including flight guidelines and a tentative schedule for the show - Bloxom Vol. Fire Co. is all set to sell food. Any members with ideas please call or email Jason. A field work day for the Airshow will be Saturday June 24th at 10am.

Jim with field update - 5 new sprinkler heads were purchased to replace ones that would not rotate. Craftsman mower required some repair. A new Air filter and drive belt were purchased. Drive belt broke once again and a new Kevlar belt was installed.

Thank you Mr. Anonymous for the \$20.00 gas donation.

With no other business to discuss a motion was made and passed to adjourn.

Jason Taylor, Secretary

## President's Thoughts

Hello MARKSMEN ~

Finally we're getting good weather and there's more flying going on.

Thanks to those who filled in for me during my absence.

We have several possible new members as result of "Wings and Wheels" held recently at the Salisbury airport. "Caje" has been busy too as he has possibly recruited another new member. Every one remember - If you sign 3, you fly for free. Make sure the prospective member lists your AMA number on his or her application.

Here's a bit of news about the meeting that will be held on Saturday, June 24th. Ted Clark took a fall and hurt himself pretty bad; as a result, he won't be flying any more. He has donated his aircraft and miscellaneous equipment to the Club for auction. All proceeds go to the Club. Pending fair weather and Board approval, we'll auction these articles off to Club members after our meeting. So bring cash or a checkbook.

#### **President's Thoughts**

Included is a Goldberg Tiger II RTF, a 60 Size Ugly Stik RTF, a Great Planes Sportster, a Hanger 9 Spitfire with retracts RTF, and a Tower Hobbies profile Mustang Kit. Also there are miscellaneous props and hardware items. So, it looks like the Club meeting, an auction and preparation for the air show will make for an interesting day. I personally am looking forward to it.

Marksmen, have a great day. God Bless and see "ya" at the field.

Thanks,

Harry Semenکو
