President's Thoughts

Hello Marks Members ~

I attended **Wings and Wheels** with several other Club members and we all had a wonderful time. Our Club drew a lot of interest from folks attending the show. Let's hope it pays off at our Airshow as well as, with the **Teach A Kid To Fly Program**.

We had a great Club meeting with good attendance. A new member, Michael Nolan treated the grass cutting crew to pulled pork sandwiches and cole slaw Wednesday after the grass was cut. Talk about good! That's an understatement.

Got to go folks...airplanes to get ready for our Airshow.

Ya'll have a great day, be safe, fly safe and God Bless

Harry

committee will be established to investigate solutions and the board will give approval once a work order is in place.

Jim's field report:

1. Thanks to Bill Young for bush-hogging all the areas around the flying field. I make a motion we donate \$50.00 to Bill to help with his expenses.
2. I sold the Husqvarna mower without a mowing deck on Craig's List for \$150.00. We bought it last year with a deck for the same amount.
3. At this time, all six of our mowers are in running condition
4. I received a donation of \$60.00 to be added the auction receipts.
5. "Caje" and I took the donated kits, boats, and cars to Eastern Shore Auction House to be sold on line. I requested Willie Benton notify me when and where they will be sold. If anyone is interested in bidding on any of the items, let me know and I will notify you.
6. The flag pole has broken off so many times that it needs to be replaced. I make a motion the club buy a new flagpole. I found a 20' one made of steel that will fit down our mount for \$125.00.
7. Gardner Sign's on Snow Hill Road has the club's digital images, and will do any style of shirts or other items. You may take your item there and and they will embroidery it or let me know what you would like and I will take it there for you.
