President's Thoughts

Hello fellow Marksmen ~

I hope you all are enjoying the great weather as much as I am. It looks like it's here to stay this time.

Our meeting went well, and we even had some flying going on. Although there weren't many items in the auction, all but one article sold and the auction put some funds into the "kitty". I think Rich Witherow should play the lottery because for the second meeting in a row, he's won the 50/50. Rick hit the "lottery" and made a big donation to the Club!

Keep your spirits up and hope for good weather for both events coming up. In regard to these two events, I hope you all realize the amount of work our Secretary Jason Taylor has put into **Wings and Wheels** as well as, John Haffner soliciting prizes for our Airshow. When you see these guys, let them know that their efforts are appreciated.

Jim and his crew certainly keep the field in good order so we can all fly. Get those planes ready for **Wings and Wheels**; come on out and we'll all have a good time.

That's all for now, so you all be safe.

Happy flying and God Bless.

Harry

MEMBER MEETING MINUTES ~ (continued from page 1)

The pump house is complete. A big thank you to Rick Witherow and "Cage" Chandler for all the hard work. The plumbing is in place and works great. Thanks to Robert English for the donation of the pump. Jim noted Robert is experiencing medical issues and does not believe he will be able to fly. A motion was made and passed to make Robert an Associate Member to recognize him for his hard work and dedication to MARKS.

Jim advised that the field has been mowed three times so far this year. The grass seed and fertilizer are working great.

Jim purchased 6 new summer hats. At the time of meeting, all have been sold.

MARKS T shirts can be purchased for \$20.00 each. Payment must be made at the time of the order. Gardner Sign on Snow Hill Rd has our logo and can apply it to any style apparel we wish to purchase.

John Watson found the club a jack for a very reasonable price. It was purchased by the Club to use for mower repair and maintenance.

A anonymous donation was made to MARKS for \$125.00.

John Haffner reported on sponsorship by vendors for the Airshow.

With no other business, a motion was made and passed to adjourn.

Respectfully submitted,

Jason Taylor
Secretary/CD AMA #333

This photo of the Memorial plaque does not due justice to the workmanship involved. Please stop to look at the actual plaque when you next visit the field.
