MEMBER MEETING MINUTES ~

President Harry Semenکو called the meeting to order at 2:00 PM, Sunday, October 29th with 7 Members present.

Minutes from the September meeting were read by Jim Waybright and were approved as read.

The Treasurer's report was read by Dana Morgan and approved as read. Copies of the report were distributed to those in attendance.

Old Business ~

Jim Waybright reported that the Yazoo mower deal fell through. He called the guy and tried to make an appointment to look at the mower but the guy kept giving him the run around. He said he had to get it out of his father's garage, and the next time Jim called, the guy said he wouldn't be home that weekend. The next time Jim called, the guy wanted to gather up the spare parts. Jim called him and left a message for the guy to call back with a date to look at it, and the guy never returned the call. One of the strangest things - during this time, the guy reposted it on Craig's List without even calling Jim. Jim finally gave up and left the guy a message that Jim wasn't interested in buying it.

Harry Semenکو reported the date for the Christmas dinner/meeting had been changed to 6:30 PM December 7th at Denny's in Fruitland. He also requested everyone planning to attend to email Jason Taylor so we can let the restaurant know how many are attending.

New Business ~

Jim Waybright gave the following report on the status of the flying field:

1. The Husqvarna mower's fuel filter broke and a bunch of dirt got into the carburetor. Ray Bertrand and I removed the carburetor and cleaned it. It runs normal now. Thanks Ray!
2. We also cleaned the carburetor on the 48" Craftsman mower. It runs good but still has a problem starting when cold.
3. The garage door malfunctioned and ripped the frame from the door. Cage and I rebuilt the door frame but the garage door opener couldn't be adjusted for the amount the door...

President's Thoughts

Hello Marksmen ~

It looks like all the good flying weather is gone. I'm sure that you all know that Sunday, the 29th, was a washout for flying. And our meeting turned out about the same way with only 7 members present. It came as a surprise to me.

To any of you traveling for Thanksgiving, be safe, enjoy yourselves, and get back in one piece.

I don't know how many members actually read the newsletter. If you do, I need a head count of those planning to attend the Christmas dinner on December 7th.

We have no meeting in November, so I hope to see you all at the Christmas dinner meeting.

You all be safe and God Bless.

Harry Semenکو

Upcoming Events at Waybright Field

**Next Membership Meeting
December 7th**

Please Do Not Exceed the 10 MPH speed limit when driving in or out of our flying field!

MEMBER MEETING MINUTES (continued)

New Business ~ (continued from page 1)

3. (continued) ...would go up and down. Rob Mutchler and myself removed the control box. Rob repaired the control box and also replaced the old worn out gears. Now it opens and closes correctly. Thanks guys for your help!
4. Last week the 54" Craftsman mower wouldn't allow the PTO to engage the mower blades. After some troubleshooting, Tom Bell traced the problem to a faulty seat safety switch. Way to go Tom!
5. The club received a \$20.00 donation for gas. Thanks for the donation!
6. Rick Witherow supplied the plans for the new well-house for our irrigation pump.

With no other business, a motion was made and passed to adjourn.

Jim Waybright for Jason Taylor
Secretary AMA #333

All Season Flyers 2017

Congratulations to the following MARKS members who have achieved All Season Flyer status through October 27th by flying and registering their flights ~
