MEMBER MEETING MINUTES ~

The meeting was called to order by President Harry Semenکو at 7:00 PM on October, 30th.

The minutes of the prior meeting were read by Acting Secretary Ray Carlson and were approved as read.

The Treasurer's Report was delivered by Dana Morgan and was approved.

Old Business

There was nothing presented under Old Business.

New Business

A motion was made by Ray Carlson that the Wind Sock be replaced. After a brief discussion, the motion was approved.

John Haffner introduced a prospective new member, John McKee. John is a retired Veterinarian who lives in Salisbury and in Florida during the Winter. He recently purchased a flight simulator and is receiving help from John Haffner to return to the hobby. The Members in attendance unanimously voted to welcome John McKee to the Club.

Jim Waybright gave his monthly field report:

1. Due to the nice weather, we needed to mow the field every week this month.
2. "Caje" Chandler, Jon Fisher, and Jim Waybright winterized the irrigation system. Because the pump is off, there is no water available at the field.
3. Ray Bertrand, "Caje" Chandler, and Jim Waybright repaired the 24HP Briggs & Stratton engine which was on the Husqvarna mower. The gasket between the block halves was leading. We had a engine gasket set but needed to purchase a new starter, PTO switch, fuel filter, and seat switch to complete the repair. After repair, the engine runs great without any leaks. We are planning on using it to pull the sweeper next year. Thanks guys!
4. The Wind Sock lost its battle with the wind. When we took it down, it was so deteriorated, it was scrapped. We considered replacing it now or waiting until next Spring to purchase a new one.

President's Thoughts

Hello MARKS Members ~

We all need to thank John Carroll for the use of his facility during these cold months. The meeting Tuesday night went well with a record turn out. Was it because of the auction afterwards or maybe the nice place for a meeting? It doesn't matter – It was a good meeting.

There are still no takers for the Treasurer's position.

In regard to the auction held after the meeting, it was a great success. The Club is now \$624.00 dollars to the better. Thanks to all who participated and especially Robert English for donating all the goods to the Club. Thanks much Robert.

I should have a list of designated Club Instructors in the near future as well as, any criteria to be an Instructor - other than just being able to fly.

So for now my friends, take care, safe flying and God Bless. I look forward to see you at the Christmas dinner meeting.

Harry Semenکو

MEMBER MEETING MINUTES ~ (continued from page 1)

President Semenکو announced that the Club is still looking for someone to take over the Treasurer's position. Dana Morgan provided an account of the Treasurer's duties and activities.

President Semenکو advised that based on his discussions with the appropriate authorities about the FAA regulations, we should continue to do what we have been doing.

"Caje" Chandler suggested that we pay next year's field rent now. Dana Morgan advised that paying the rent early has been our practice and he will write the check to Bill Young to present at the Christmas dinner meeting.

Harry Semenکو advised the Members that he will be somewhat scarce in November since his wife will be undergoing major surgery. Members spoke up and suggested that we keep her in our thoughts and prayers.

John Haffner suggested that we thank John Carroll for the use of his facility for the meeting.

Ed Airey announced that he has access to a metal building with windows and doors that can be dismantled and relocated to Wainwright Field. After discussion, the Club voted to accept the offer of the building and asked for volunteers to dismantle and relocate the building.

An auction was to be held immediately after the meeting of the aircraft and support equipment donated to the Club by Robert English. The Club officers confirmed that Robert is a Permanent Member of MARKS.

The meeting was adjourned at 7:30 PM.

Respectfully submitted,

Ray Carlson, Vice-President and Acting Secretary
