He also presented Jim Waybright with a 45 year AMA Member patch.

Minutes from April meeting read by Jim Waybright and approved.

Treasures Report read by Ray Carlson  
The Report was approved as read.

#### Old Business

An update was given and information provided on upcoming WBOC report. Elmer McKay stated there has not been a reply to the dates he submitted for our possible TV segment. Elmer stated he would contact him again.

#### New Business

Jim Waybright with field updates 1. Cage and I replaced the steering bearings and the axle bearing on the 54" Craftsman mower. It steers a lot better now.

2. The White 50 zero turn mower ignition switch quit working and we replaced it with a new one.

3. The White 50 zero turn mower PTO stopped working. After troubleshooting we found the PTO switch was bad. I attempted to hot wire it with a toggle switch but it smoked the wiring. I purchased a new PTO switch and it works only if the ignition magnetos are not grounded. Not sure what to do next.

4. The John Deere's battery went bad and I bought a new one and the mower is back on line.

5. Mr. Anonymous donated \$20.00 to the club for gas. Thanks!

6. Robert English donated \$30.00 to the club. Thanks Robert!

7. Mr. Anonymous donated \$19.00 towards the purchase of the John Deere battery. Thanks!
