President's Thoughts

Hey Marks Members ~

Harry has writer's cramp and asked me to write this month's letter... so here goes.

It's October and the nights are getting cooler but the days are great for flying. It has been one long hot Summer on record. I hope Fall is more like it's supposed to be. We can all talk about the weather but we cannot do anything about it.

You can do something about the future of our Club by attending the next meeting and vote for the Officers nominated to bring us to 2020. Leadership is essential for our Club to grow and meet all the challenges that have a way of presenting themselves throughout the year. So come to October's meeting and VOTE. You know what they say - vote for your candidate and vote often.

That is all folks.

Ray

Please **Do Not Exceed** the **10 MPH** speed limit when driving in or out of our flying field!

New Business (Continued)

Jim and Harry went to Eastern Shore Auctions and picked up the kits. Club to decide path forward. Discussion to next step to take with the kits. Membership decided to put the kits up for silent auction at the Vintage Fun Fly. All kits will start with a minimum \$20.00 Bid. Auction will close at 330 to tally results by the end of the event.

Kenny Ludka donated several items to the Club. Among the items were a flight simulator and a OS 4 stroke engine. It was decided that these items will also be included in the silent auction.

Jim advised membership that Reggie Sterling underwent back surgery. A get well card will be sent on behalf of the Club.

John Taylor was in attendance and appears to be doing well post heart surgery.

Jason with discussion on the status of current nominations and election. Elections are offset every year by electing President and Secretary one year and Vice President and Treasurer the opposite year. Terms are for 2 years. Over the past few years dates and an election cycle was missed. Jason recommended that the Club start fresh with the 2020-2022 elections and vote on all positions at the same time. Any member currently holding office will automatically be placed onto the ballot unless they decline the position. The bylaws were read to the membership and the positions to be filled were discussed. Membership approved to start fresh with officer terms.

Floor open for Nominations:

Harry Semenko declined nomination as current President. Nominations for President are: Wally Makuchal, Raymond Carlson, and Ray Bertrand.
