Lums Pond State Park
May be limited to 500 people

Wanted !!

Trainers are needed for new student pilots. If interested, please contact Jason Taylor (marks.sec@gmail.com).

Judges and volunteers are needed for the upcoming Vintage Fun Fly. If interested, please contact John Haffner (mooneyjock@outlook.com). There is a promise of pizza and beer for those interested in training as judges.

Congratulations to the following MARKS members who are on the path to All Season Flyer for 2021. As of June 30, 2021, the following members have flown at least once a month in 2021:

Ray Bertrand
John Burnett
Ray Carlson

Robin Mutchler
Shye Sarig
Harry Semenko

Jon Watson
Jim Waybright
Rick Witherow

Meeting Minutes for June 29, 2021

- MARKS June 2021 membership meeting
- SRS UAS Facility @ Salisbury Airport
- 13 Members present
- Called to order at 7 pm by President Wally Makuchal
- Jason Taylor with motion to forgo reading of previous minutes. Motion passed.
- John Haffner with treasurer report. John noted a 20.00 expense this month for the MARKSRC domain name. Motion made and passed to approve the report as read.

Membership committee report:

- No updates to report

Jim Waybright Field Report:

- The lifting rod broke off of the deck on the 42" cut John Deere mower. I took it to RD Grier to have it welded. After about two weeks of run around, I gave up and went to John Deere and bought a new one. Ray Carlson and Dave Hess were able to figure out how it went back together and reassembled it. Thanks guys! The root cause of the failure was that it would accidentally get caught under the table top when trying to mow close to the tables in the pit. The corrective action was to saw off about one inch of the rod so it can't get caught under the table top.
- The 50" White mower needed new blades. I normally purchase them at Lowes for about \$50.00. When I checked they had raised their price to \$71.00. I checked on Amazon and found a set of Oregon brand for \$31.21 shipped. Cajé installed the blades on the mower. Thanks Cajé!
- I received a \$20.00 donation and put it in the munchies fund.
- We are mowing about once a week, usually on Thursday afternoon.
- All the mowers are now in running order.

Old Business:

- Wally Makuchal handed out All Season patches for 2020.
- Jason Taylor with update on the Wings and Wheels event. A tentative date has been set for Sunday September 12th. A discussion on to serve food or to have a vender attend. It was decided if we hold the event to have a vender sale food. Jason noted that the overall cost will be around 250 for trophies and supplies. David Hess presented concerns in regards to injury and other coverages for the event. After a discussion Jason made the motion to further investigate an additional policy for the event and for the executive committee to make a final decision once all the information was received.
- Jason noted that the club Facebook page had not been updated recently. David Hess advised membership he would like to update and maintain the page. Jason will add David as an Admin for the Facebook page.

New Business:

- Jim Waybright with discussion on adding electric to 2 more tables at the field. A motion was made and passed to add electric.
 - Jason Taylor provided an update on the new FAA requirements. All pilots must pass the new TRUST test. Please add your token number to the FAA list at the field.
 - Jason Taylor noted he was contacted by the 50 Plus center in Snow Hill in regards to a demo. The request is for September/October time frame. Several members noted they would attend. Jason will reach out and set up a date later this year.
 - With no other business to discuss a motion was made and passed to adjourn.
