Meeting Minutes for June 25, 2022

- MARKS June 2022 membership meeting
- Pavilion at Waybright Field
- 13 members present
- The meeting was called to order at 2:01 pm by President Jason Taylor.
- A motion was made, seconded and approved to forgo reading of the May minutes. There were no changes or corrections to the minutes.

Treasurer's Report

- Things are getting more expensive. The port-a potty cost is now \$115 per month, but luckily, they accepted our May payment of \$95, even though the cost had just gone up.
- We have \$3,277.96 in the budget to pay expenses for the rest of the year. John is budgeting \$115 per month for the port-a potty, \$50 per month for electricity and \$150 per month for mowing expenses. If you throw in the \$900 due for rent, then John is projecting expenses to be around \$4,680 for next year. If we maintain our current membership, that will provide around \$3,500 in dues, so we will have around a \$1,600 deficit to make up next year by donations or adding additional members.
- For income, we have dues from one new member, John Heinz, and a donation from Shye Sarig.
- Jason reported that we have two other potential new members, Brian McDonald and Jeffry Powers who should be paying their dues shortly. We also received a total of \$69 from the two 50-50 Drawings at the airshow.
- The treasurer's report was presented and accepted.

Field Report

- The field was in excellent shape for our Air Show. Thanks to everyone for pitching in to make it look great.
- We needed to replace the Extension Spring on the White 50 ZT mower. Thanks to John Burnett for all his work completing this task.
- The wind sock was old and torn. Shye Sarig donated \$50.00 to purchase a new one. Now it blows in the wind. Thanks Shye!
- The club donated \$75.00 to Bill Young for fuel to Bush Hog everything we don't mow. Thanks Bill!
- We spent \$106.00 on gas for the mowers this month. We are trying to minimize how much we mow to keep the cost down but Donations for gas are being accepted.

Membership Report

- Rick Witherow was not at the meeting, but Jason thanked everyone that came out to the air show. He thought it went great and from it we picked up three new members.
- The "Outdoors Delmarva" video from the air show is on YouTube and there is a link to it on the Marks RC Facebook site.
- Jason indicated that if you are out in a public setting, be sure to mention the AMA is your statements. Evidently AMA helps direct funds towards clubs that publicly support it.

Old Business

- John Haffner reported that the Fall Vintage Fun Fly is on. He sent in the sanction fee, but the AMA lost it. He sent it in again, but now the fee had gone up to \$125. In any case, the Vintage RC Society will reimburse us for the sanction fee, trophy costs and fee for the ad in the AMA magazine. The food costs are on us, but we can charge for the food and will hopefully make up those costs.
- Jason again thanked everyone for their support for the airshow. He thought at one point, there were up to 100 people there between the spectators and members.

New Business

- Jim Waybright indicated that the frame supporting the sign by the road looks raggedly and needs cleaned and painted. John Burnett volunteered to clean and paint it. If pressure washing is required, Jim thinks we have enough hose to reach the sign from Bill's house.
- Jim Waybright thought that it would be a good idea to have a Flea Market sometime this Fall. John Burnett liked the idea and thought it would be great to combine it with the Vintage Fly-In on October 15. After some discussion, it was decided to hold the Flea Market on October 15 with the Vintage Fly-In starting around 11:00 am.
- A motion was made to accept John Heinz, Jeffry Powers and Brian McDonald as members of Mark RC Club. The motion was seconded and unanimously approved.
- Jason sent the documentation to the AMA to apply for Gold Member status. He hopes to hear something shortly.
- Next meeting Saturday, July 30 at 2:00 pm at Waybright Field.
- Meeting was adjourned at 2:21 pm.
